Care & Maintenance Instructions:

To ensure that your Garware Paint Protection Film (PPF) remains in excellent condition year after year, please follow these Care & Maintenance Instructions. Failure to adhere to Care & Maintenance Instructions can void your Garware PPF warranty coverage.

- To ensure PPF adhesion, do not wash or wax the vehicle for 7 days after installation.
- To prevent staining, remove bugs, sap, tar, and fallout from the PPF as soon as possible.
- Do not use solvent-based bug and tar removers.
- Wash and wax the vehicle as needed.
- Only wash with soft non-abrasive wash mitts and drying materials.
- When washing, keep high-pressure spray tip 36" away from PPF.
- Non-abrasive wax or sealant application is recommended once every 4 months.
- Do not use polishing compounds, clay bars, or waxes that contain dyes or abrasives.
- To remove PPF see your dealers for proper and safe PPF removal procedures.

Get The Right Protection

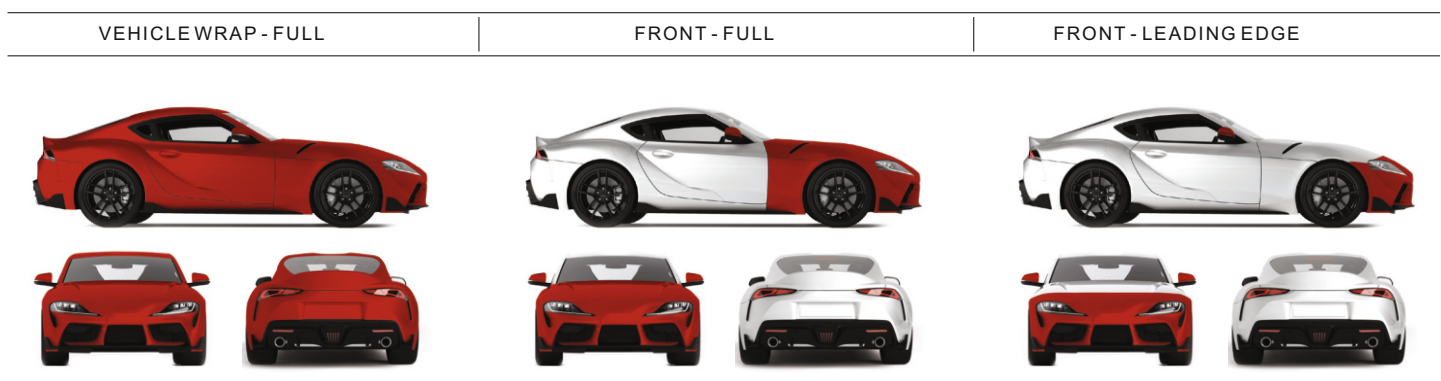

With Garware Paint Protection Film, you can customize your coverage, from a full wrap that shields the entire vehicle to safeguarding the most vulnerable and chip-prone areas like painted bumper covers, and leading edges of fenders and hood. Your Garware Paint Protection Film dealer will help you determine the best package for your vehicle and usage. Plus, Garware Paint Protection Film is ideal for every vehicle on the road, from cars and vans, to campers, trucks, and motorcycles.

Coverage Options

Dealers typically offer a variety of individual and package coverage options. You can work with your installing dealer to build the paint protection coverage that is perfect for your needs. Here is a list of the most common areas protected by Garware Paint Protection Film.

COVERAGE OPTIONS - PACKAGES

Be Ready For Whatever The Road Throws At You

Pebbles, sand and road salt. Bugs and bird droppings. Parking lot nicks and scratches. They're just waiting to make their mark on your vehicle's paint. But they don't stand a chance when you shield that factory finish with Garware Paint Protection Film. Garware Paint Protection Film provides a clear barrier to help keep your vehicle looking as flawless as its first day off the lot – year after year.

COVERAGE OPTIONS - INDIVIDUAL AREAS

*Installing paint protection film on headlights is not recommended. There is no warranty coverage available if PPF is installed to headlights.

Protect Your Investment Invisibly

- Professionally installed
- Almost invisible when installed
- Goes on clear and stays that way
- Conforms to your vehicle's shape
- Won't bubble, crack or turn yellow
- Self-healing; minor scratches disappear
- Hydrophobic topcoat helps resist stains
- Tough 6 Mil thermoplastic polyurethane film
